

01/28/2017 - Block Two: Revised Info Highlighted **B**elow.

Let it Snow, Let it Snow, Let it Snow is a quilt based on a design I did for a charity a number of years ago. My hubby Jeff (aka Mr. Deb) found a picture of it and really liked it. He liked it so much, I decided to re-make it and pattern it for others to enjoy!

There are only 3 blocks in this quilt, but color placement really helps enhance the 'snowflake' look if placed correctly. As with all of my quilts, I will show you what I put 'where', but feel free to replace any of these colors with your own!

Remember....for best results STARCH & press prior to cutting any fabric!
